

The Fireman's Prayer

Edited for the current COVID-19 Pandemic

Essential Services Prayer (Doctors, Nurses, EMS, Fire, Law Enforcement)

When I am called to duty, God...

Where ever disease may rage...

Give me the strength to save some life...

Whatever be its age...

Help me embrace a little child...

Before it is to late...

Or save an older person from...

The horror of this disease fate...

Enable me to be alert against the elements of this disease...

And hear the weakest shout...

And quickly and efficiently protect them against this disease...

I want to fill my calling and...

To give the best in me...

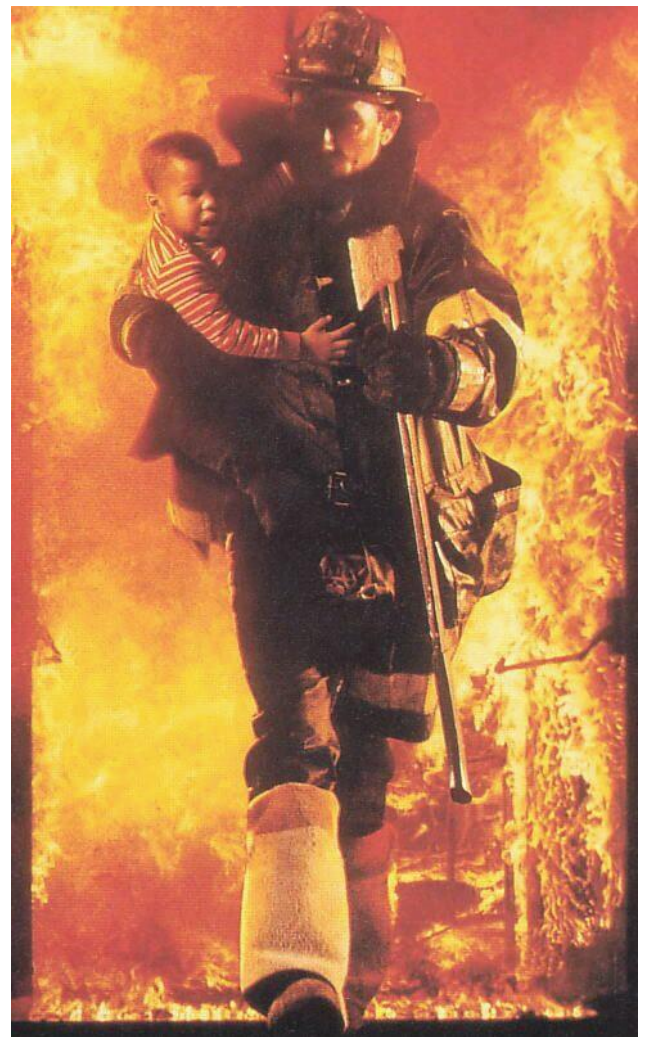

To guard my every neighbour and protect his life...

And if according to your will...

I have to give my life...

Please bless with your protecting hand...

My children and my spouse.
